

# Touchdown Totchos

## Ingredients:

- 32 oz bag of Flat Tator Tots
- $\frac{3}{4}$  cup Ranch Dressing
- $\frac{3}{4}$  cup Sour Cream
- 1-  $1\frac{1}{2}$  cup shredded cheddar cheese
- 6-7 slices cooked and crumbled bacon
- Green onions

1. Preheat your oven to 425°F. Place the tator tots in an even layer on an 11×17 baking sheet. (You may not fit all of them on the baking sheet.) Bake the tator tots according to package directions, until golden brown and crispy. I transferred the tator tots to an oven safe platter so it was easier to serve.
2. In a small bowl, mix the sour cream and dressing and spread the sour cream/Ranch mixture over the cooked tator tots.
3. Top with the cheddar cheese and bacon pieces.. Return to the oven for just a few minutes, until the cheese melts.
4. Top with the green onions and serve immediately.
