

## Sparkling Raspberry Lemonade

- 4 cups water
- 1 1/2 cup sugar
- 2 cups fresh raspberries + extra for garnish
- 4 cups Simply Lemonade
- Sparkling water
- Ice

### Instructions:

1. In a medium saucepan bring water, raspberries, and sugar to boil, stirring occasionally, until the sugar dissolves. Reduce the heat, and let it simmer for 15 minutes.
2. Strain the mixture through a fine sieve while pressing gently on the berries to release the juices. Then discard solids. Let syrup cool completely before continuing.
3. Combine the syrup and lemonade in a large pitcher. When your guests prepare their drinks have them put about 2/3 cup of the lemonade and then top it with the seltzer water.

Garnish with fresh raspberries and a straw for a fun, festive drink!
