

Brownie Mason Jar gift

Assembling the jar:

Combine $\frac{1}{2}$ cup AP flour, $\frac{1}{8}$ tsp baking soda, 1 tbsp cornstarch and $\frac{1}{4}$ tsp salt into the bottom of the jar and pack down with a small glass or measuring cup.

For the next layer, add in $\frac{3}{4}$ cup unsweetened cocoa powder (Hershey's is best).

Next add in about a half cup of your favorite chocolate chips. You can use dark, milk, or white chocolate.

For the next layer add in 1 and $\frac{1}{4}$ cup of sugar and pack slightly.

On the top add roughly a half of cup pecans (or any other add-in of your choice).

Print the instruction label and tie on with string or a cute ribbon.
