

Easy Homemade Guacamole Dip Recipe

- 2 Avocados
- ½ lime, squeezed for juice
- 1 Roma Tomato, diced
- 2 Tablespoon Red Onion, finely diced
- ½ teaspoon ground black pepper
- ½ teaspoon salt
- ½ teaspoon garlic powder

Instructions:

1. Peel, pit and mash the avocados in a small bowl.
2. Squeeze in lime juice, pepper, salt, garlic powder and stir.
3. Gently stir in tomato and onion.
4. Chill if desired.

Guacamole turns brown if kept for too long. To prevent some browning, shake bowl to get out air pockets. Then add a sheet of saran wrap, pushing it down so that it sits on top of the guacamole. Seal container with lid or another firm piece of saran wrap.
